Denise,

This looks good. A couple things about dates. The Proposed Plan public meeting will be on November 12<sup>th</sup>. I am not going to be able to make it to the 26<sup>th</sup>. I didn't realize that was a Saturday. I am sorry about that. Is there another way that I can help this effort? I can follow-up with folks, but I guess that is the point of the meetings. Also, it turns out that I am going to be available during the week of the 19<sup>th</sup>, as I will no longer be going out of town.

I should also mention that your flyers and script refer to Allied Landfill as a Site. As you know, the landfill is one of the operable units of the larger Allied Paper/Portage Creek/Kalamazoo River Site. Our Proposed Plan and Proposed Plan factsheet will refer to Allied as OU1. You may want to consider making a change to OU1 or something consistent with the upcoming EPA documents to avoid confusions.

Thank you for all of your work on this.

Michael

Hi Diane and Michael,

Please see attached drafts of the canvassing itinerary, script, flyer etc. (and my forwarded message below to KRCC).

If you have any revisions please let me know by Thursday 9/10. We only have two weeks from that day to recruit canvassers so I really want to send things out that night.

Also let me know if you think we need to meet again in person to review our part or review the EPA materials.

Diane - as discussed, I found a couple pictures of Michael talking with posters that may be helpful for your promotion. And I am sure we can secure a couple coffee airports for any meetings.

**Subject:** KRCC&WMU Allied Site Canvassing Plan - PLEASE REVIEW

Hello KRCC, distinguished ASTF, and students,

Please review the attached Public Engagement Campaign outlining our purpose, itinerary and script for canvassing. Please let me know what I am missing or forgetting! Also attached for your review is a flyer we can use to recruit, mostly on campus and to those not already in ASTF. Let me know if it needs revisions. **Send all suggestions and revisions on the Canvassing Plan and Flyer to me by COB Thursday 9/10.** That gives us just two weeks to get canvass recruits and get the word out!

I think we can plan this via email?? Does anyone think we should meet on the 10th or 17th, perhaps in lieu of our regular board meeting scheduled on the 24th in order to discuss and plan for the canvassing events? Board members please **send your vote for whether we need a meeting on the 10th or 17th to me by COB Tuesday 9/8.**

Also, two students will be working with us this fall - everyone, please meet Kaitlin and Michael. Michael's first task is to take the attached neighborhood map and break it down by neighborhoods and include the street names so we have good printed maps to canvass with.

Other than that, **I am signing you all up for canvassing both days**, so let me know if you cannot make it!!

Enjoy the rest of the holiday weekend and last gasp of summer, Denise
